PREFACE

This Prevention of Money Laundering Policy (the Policy) has been prepared in accordance Prevention of Money Laundering Act, 2002 (PMLA Act). This Policy also takes into account the provisions of the PMLA Act and other Rules laid down by SEBI, FMC, FIU, Exchanges and Depositories.

Prevention of Money Laundering Act, 2002

Prevention of Money Laundering Act, 2002 (PMLA 2002) forms the core of the legal framework put in place by India to combat money laundering. PMLA 2002 and the Rules notified there under came into force with effect from July 1, 2005.

The PMLA 2002 and Rules notified there under impose an obligation on intermediaries (including stock brokers, depository participants etc) to verify identity of clients, maintain records and furnish information on suspicious transactions to the Financial Intelligence Unit (FIU) - INDIA

Financial Intelligence Unit (FIU) - INDIA

The Government of India set up Financial Intelligence Unit-India (FIU-IND) on November 18, 2004 as an independent body to report directly to the Economic Intelligence Council (EIC) headed by the Finance Minister. FIU-IND has been established as the central national agency responsible for receiving, processing, analyzing and disseminating information relating to suspect financial transactions. FIU-IND is also responsible for coordinating and stretching efforts of national and international intelligence and enforcement agencies in pursuing the global efforts against money laundering and related crimes.

Statutory and Regulatory requirement

The Act imposes an obligation on banking companies, financial institutions and intermediaries associated with the securities market and registered with the Securities and Exchange Board of India (SEBI) under section 12 of SEBI Act, 1992 to adhere to client opening procedures and maintain records of such transactions as prescribed under the PMLA and Rules notified thereunder.

The stock brokers fall under the category of intermediaries under section 12 of SEBI Act, 1992, and hence the provisions of PMLA are also applicable to all the stock brokers. Establishment of Anti-money Laundering programs by Market Intermediaries are one of the central recommendations of the Financial Action Task Force (FATF).

SEBI has issued necessary directives from time to time vide its circulars covering issues related to Know Your client (KYC) norms, Anti Money Laundering (AML), Client Due Diligence (CDD) and Combating Financing of Terrorism (CFT). This policy document is based on the SEBI's master circular on PMLA bearing reference no. ISD/AML/CIR-1/2010 dated February 12, 2010 and subsequent circulars bearing reference no. CIR/ISD/AML/2/ 2010 dated June 14, 2010, CIR/ISD/AML/3/2010 dated December 31, 2010 and SEBI/HO/MIRSD/DOP/CIR/P/ 2019/113 dated October 15, 2019, which consolidates requirements/obligations to be fulfilled by all the registered intermediaries, SEBI Circular No. CIR/MIRSD/1/2014 dated March 12, 2014 and SEBI/HO/MIRSD /DOS3/CIR/P/2018/104 dated July 4,

2018 including Central Depository Securities Limited (CDSL) communique no. CDSL/OPS/DP/POLCY/2017/176 dated April 05, 2017 and CDSL/OPS/DP/POLCY/2017 /354 dated July 18, 2017, National Securities Depositories Limited (NSDL) circular No. NSDL/POLICY/2018/0015 dated March 14, 2018.

The Regulations mandate that customer due diligence process to include three specific parameters:

- **Policy for acceptance of clients:** Each client should be met in person Complete KYC to be done for all clients. No account to be opened in a fictitious/benami name or on an anonymous basis. Beneficial Owners should submit/update their Aadhar Card copy with the Depository Participant. The KYC process is currently based on assisted model, where the Relationship managers face to face sits with the client to execute the entire KYC process, including In-person verification (IPV) and getting them onboard. Clients can also be onboard through online through E-KYC process and video IPV. However, under both models, there are exemptions to IPV-
 - IPV/ VIPV would not be required when the KYC of the investor is completed using the Aadhaar authentication / verification of UIDAI.
 - IPV/ VIPV shall not be required when the KYC form has been submitted online, documents have been provided through Digi-locker or any other source which could be verified online.
- **Clients Identification Procedure:** (Risk profiling) All clients to be classified as per the risk into 3 categories Low, Medium and High Risk
- **Suspicious Transaction:** Identification and reporting Any unusual activity compared to past transactions Sudden activity in Dormant accounts Sudden High volume / high value transactions.

The principal officer shall report the nature, amount, date and all related details of any and all suspicious transactions recorded. This policy will be subject to changes to incorporate further directives that SEBI may give vide its circulars on PMLA, from time to time.

PMLA ANALYSIS BY WAY2WEALTH

WAY2WEALTH has resolved that it would, as an internal policy, take adequate measures to prevent money laundering and shall make a framework to report cash and suspicious transactions to Regulators as per the guidelines of PMLA Rules, 2002.

OBJECTIVE UNDER THE GUIDELINES

The purpose of this document is to guide all the employees of Way2Wealth and of its associates (including Business Associates /Authorised Persons and their employees) on the steps that they are required to take and implement to prevent and identify any money laundering or terrorist financing activities. It shall be the responsibility of each of the concerned persons that they should be able to satisfy themselves that the measures taken by them are adequate, appropriate and follow the spirit of these measures and the requirements as enshrined in the “Prevention of Money Laundering Act,2002”.

Some of these suggested measures may not be applicable to every circumstance or to each department, Branch / Authorised Person (erstwhile Sub-broker). However, each entity should carefully consider the specific nature of its business, type of customer and transaction to satisfy itself that the measure taken by the employees are adequate and appropriate to follow the spirit of these guidelines.

CUSTOMER ACCEPTANCE POLICY

Role of Central Processing Cell (CPC) / Relationship Manager

- **In-person verification:** each client should be met in person. Either the client should visit the office/branch or concerned official may visit the client at his residence /office address to get the necessary documents filled in and signed. The alternate process to get a client onboard online, where the client executes the KYC form themselves, submits the required documents online, even the IPV process is carried online. Even in such case, IPV can be exempted in case.
 - IPV/ VIPV would not be required when the KYC of the investor is completed using the Aadhaar authentication / verification of UIDAI.
 - IPV/ VIPV shall not be required when the KYC form has been submitted online, documents have been provided through Digi locker or any other source which could be verified online.
- **Client complete information:** It should be ensured that the initial forms taken by the clients are filled in completely. All photocopies submitted by the client are checked against original documents without any exception. Ensure that the 'Know Your Client' policy is followed without any exception. All supporting documents as specified by Securities and Exchange Board of India (SEBI) / Exchanges / Depository / CERSAI / KRA are obtained and verified.
- **Document Scrutiny:** Scrutinize the forms and details submitted by the client thoroughly and cross check the details with various documents obtained like identity of the client, source of income. If required, ask for any additional details like income tax returns, salary slips, etc. to satisfy yourself whenever there is a doubt
- **PAN Verification:** As PAN is mandatory, verify its genuineness as per the Income Tax official website and cross verify the PAN card copy as derived from the IT official website.
- The Account Opening Process will be updated according to the specific regulations published by SEBI or Stock Exchanges or Depositories from time to time.
- Ensure that no account is being opened in a fictitious / benami name or on an anonymous basis by calling the client on phone at the given phone number, verifying by visiting personally, if considered necessary, at the address given in KYC and other details.
- All the clients shall require disclosing the details of designated bank account and designated demat account in the Account Opening Form. All the pay-in /pay-out of funds/ securities shall be routed through designated bank / demat account only.

- Check whether the client's identify matches with any person having known criminal background or is not banned in any other manner, whether in terms of criminal or civil proceedings by any enforcement/ regulatory agency worldwide.
- In case of clients other than an Individual or trust, viz., company, partnership firm or unincorporated association / body of individuals, is shall be mandatory for such clients to disclose the beneficial ownership in them. Following information shall be obtained from such clients:
 - ✓ Shareholding pattern of the company to identify persons having more than 25% holding in the share capital
 - ✓ Profit sharing ratio of partners to identify having more than 15% share in profit
 - ✓ Any juridical person having more than 15% of the property or capital in an unincorporated association or body of individuals
 - ✓ In case the client is trust, the following information shall be obtained from such clients, List of the beneficiaries with 15% or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.
- Accounts should be opened only on receipt of mandatory information along with authentic supporting documents as per the guidelines. Any reluctance by the client to provide information should be a sufficient reason to reject the client.
- Check if client is having multiple accounts.
- Account Opening Form (AOF) shall be strictly as prescribed by Securities & Exchange Board of India (SEBI), Depositories and Stock Exchanges.
- For scrutiny / background check of the clients, websites such as www.watchoutinvestors.com should be referred. Also, Prosecution Database / List of Vanishing Companies available on www.sebi.gov.in and United Nations Security Council resolution [UNSCR] and www.fatf-gafi.org should be checked.
- Keep watch on the well-come kits or other documents / letters received back undelivered at the address given by the client. Concerned in charge of Branch /Associate should be alerted, client be contacted immediately on telephone and the trading, if suspected, should be suspended.
- Authenticity and credibility of mass affluent clients should be verified by conducting onsite visit and/or personal interactions that can be recorded or stored securely.
- Employee of Way2Wealth should not preferably sign as witness on the Client Registration Form.
- The Registration team shall not open account if unable to verify the identity of the clients based on the documents provided. Such cases be reported immediately to Compliance Officer and Principal Officer.
- Review the above details ongoing basis to ensure that the transactions being conducted are consistent with our knowledge of customers, its business and risk profile, taking into account.

- Voice recording of the client to be done, on a need basis, to determine the authenticity of the client in case any of the above parameters of the client onboarding process do not give a satisfactory input about the client.

Role of Relationship Manager / Dealer / Accounts Team

- Ensure that there is no cash / currency receipt/payment to the client.
- Ensure that there are no third-party receipt into / payment from the client account.
- Ensure that there are no unusual activities by the Client. Few of such unusual activities are:
 - Buying and selling of securities that does not make economic sense
 - Transaction indicative of insider trading and / or market manipulation, for e.g. Timely trading, trading outside normal patterns and the use of leverage or margin to increase purchasing power
- Guard against “willful blindness” and “tipping off” offence
 - Willful blindness happens when the staff is very interested in the client’s business and cons himself/herself into believing any superficial response to questions by the Client
 - The tipping off offence happens when the staff tips off the client to an existing/a possible internal investigation on the clients account. This can potentially also be committed by sharing details of our due diligence process/documents
- Flag for scrutiny / re-profiling should be raised if there is a change in client’s sources of wealth/funds or the ability to accumulate assets or any other significant changes in the client’s background or financial standing. Also, if the client engages in transactions which are inconsistent with their risk tolerance levels
- Ensure that any information relating to Money Laundering gathered during formal or informal conversation with clients is passed on to the Principal Officer through your Branch/Department Head

Record Keeping

To the record keeping provision, we should ensure compliance with the record keeping requirements contained in the SEBI Act, 1992, Rules and Regulations made there-under, PLM act, 2002 as well as other relevant legislation, Rules, Regulations, Exchange Byelaws and Circulars. Records to be maintained should be sufficient to permit reconstruction of individual transactions (including the amounts and type of currencies involved, if any) to provide, if necessary, evidence for prosecution of criminal behavior. Should there be any suspected drug related or other laundered money or terrorist property, the competent investigating authorities would need to trace through the audit trail for reconstructing financial profile of the suspect's account. To enable this reconstruction, Way2Wealth would retain the following information for the accounts of their customers to maintain a satisfactory audit trail.

- a. The beneficial owner of the account;

- b. The volume of the funds flowing through the account; and for selected transactions.
- c. The origin of the funds;
- d. The form in which the funds were offered or withdrawn, e.g. cash, cheques, etc;
- e. The identity of the person undertaking the transaction.
- f. The destination of the funds;
- g. The form of instruction and authority. Organization should ensure that all client and transaction records and information are made available on a timely basis to the competent investigating authorities.

Points to be noted:

- Strict procedures both to ensure that only relevant information is shared and to protect the security and confidentiality of this information, including segregating it from the firm's other books and records
- All the records and registers are maintained in accordance with the SEBI Act, 1992 and various Regulations applicable to different business divisions for a period of 5 years.
- One senior officer under the guidance of Designated Officer will oversee the activities related to record maintenance
- Account opening forms are properly filed date wise and all the files are kept in the safe storage for the purpose of easy retrieval
- Designated Officer reports the status of record maintenance on a periodic basis
- No records are given to any third party without the approval of Principal Officer or Compliance Officer

appropriate approval from Compliance/Principal officer and/ or Designated Director appointed for PMLA compliance.

Note: The above mentioned risk categories are to be assigned at the start of client relationship basis documentary proof & /or RM/Associate recommendations. However, change of client risk category to lower or higher is permitted within client type at the time of event based and/or periodic review of client accounts.

CLIENT DUE DILIGENCE MEASURES

Client Information & Identity:

Generally Institutional client are recognize at global level. We need to verify client's identity and origin using services of Bloomberg, Reuters, internet services or any other reliable, independent source documents, data or information. After verifying information, registration form along with other supporting documents should be approved by Compliance Officer designated for verification.

Beneficial Ownership and control:

The "Beneficial Owner" is the natural person or persons who ultimately own, control or influence a client and / or persons on whose behalf a transaction is being conducted. It also incorporates those persons who exercise ultimate effective control over a legal person or arrangement. After completing registration process, client account should be verified by independent employee to check the actual beneficial ownership and control of the particular account. We need to obtain the details with respect to Shareholders, Promoters from the client and it has to be verified independently. In this process we should find out who is authorized to operate the client's account and who is ultimately controlling the account. Also verify the sources of funds for funding the transaction. We also have to take care at the time of settlement regarding nature of transaction, movement / source of transaction, etc. Periodically ask for client's financial details to determine the genuineness of transaction. Periodically we need to conduct due diligence and scrutiny of client's transaction and accounts to ensure that transactions are being conducted in knowledge, to find out the risk profile, source of funds, etc. At regular interval, ongoing due diligence and scrutiny need to be conducted i.e. perform ongoing scrutiny of the transactions and account throughout the course of the business relationship to ensure that the transactions being conducted are consistent with the Organization's knowledge of the client, its business and risk profile, taking into account, where necessary, the customer's source of funds.

KYC Policy:

- Ascertain the category of clients before registration as Client. (i.e. Individual or Non Individual like Body corporate, AOP, Partnership, Corporate, FII, Mutual Fund, PMS or other).
- Obtain all necessary documents for registration. (Photograph, Photo Identity, Proof of Address, copy of PAN, etc.). Documents should be verified with original and same to be counter signed by Authorized representative of the organization.
- Obtain copy of Bank Statement for ascertaining the mode of payment of transaction.

- Registration of clients may be done on physical presence of the prospective client as well as thorough online account opening process.
- Obtain antecedent details of the prospective client.
- Ensure that new registration is to be made in clients name only.
- Ensure that account should not open in fictitious or benami name.
- Client's occupation, sources of income
- Determine the parameter to categories of client as per risk
- Obtain financial statement for at least for last 2 years duly certified by Chartered Accountants wherever applicable and/or ITR filings.
- Ensure that all details of KYC form should be complete in all respect Incomplete KYC should not accept by organization.
- Organization should not register client in case any kind of doubt has been raised by client (i.e. unable to submit required form/proof, any suspicious behavior noticed at the time of registration, etc.)
- Account should not open where organization cannot apply Customer Due Diligence / KYC policies.

Ongoing Due Diligence and Scrutiny:

The client's account should be scrutinized regularly for determining nature of transaction taken place. In case of any suspicious transaction, the account should be freezed or securities / money should not be delivered to client and decide on further action including reporting to FIU.

Audit Trail:

To enable any competent investigating authorities to trace through the chain of events, the following information for the accounts of customers is required to be maintained:

- The beneficial owner of the account;
- Inflow/outflow of funds routed through the account / and for the selected transactions:
- The form in which the funds were offered or withdrawn, e.g. cash, cheques, bank drafts / pay order etc.
- The identity of the person undertaking the transaction
- The form of instruction and authority
- The identity of official who made in-person verification
- The identity of official who verified copies documents obtained from client with originals
- Financial statements to be obtained in case of Corporates, HUF as prescribed by SEBI, Exchanges, Depositories and Regulatory.

Relying Third Party for CDD

Way2Wealth would rely on the data uploaded on the portals of CVL, NDML, DOTEX, KARVY CAMS, CKYCR and any other registered KYC Registration Agencies for the purpose of:

- Identification and verification of the identity of a client
- determination of whether the client is acting on behalf of a beneficial owner,

- identification of the beneficial owner and verification of the identity of the beneficial owner.

However, Way2Wealth would not completely rely on the KRAs for the client due diligence and the KYC department would seek fresh and additional documents in cases where it finds any suspicion or in cases where there is a noticeable change in the KYC details provided by the client at the time of registration.

ROLE OF RISK MANAGEMENT TEAM

RMS gives exposure to clients based on margin placed by the client in our favor and any credit available against current or previous sale transaction for which credit is/will be in the client's ledger as credit balance RMS in co-ordination with the Internal Audit Team would periodically validate such exposures with the risk category and financial details provided by the client in KYC form. Where there is a trading activity of the client, which is not commensurate with the financial details declared by the client, it should be analyzed and referred to the Principal Officer with reasons of suspicion if any.

MONITORING OF TRANSACTIONS

- Scrutinize unusually large transactions like, clients having traded in scrips/shares of a company for a quantity of 20,000 or more in a single day and volume in that scrip of that client is 15% or more of the total volume in that scrip at the Exchange.
- Check trade log for indication of negotiated trades (if any).
- Possibility of synchronized Order placement.
- Check for any relation of the client with the investment company / directors / promoters.
- Check previous trading pattern of the client in a particular scrip.
- Scrutinize bulk deal transactions by sample check. A 'bulk' deal constitutes transaction in a scrip (on Exchange) where total quantity of shares bought/sold is more than 0.5% of the number of outstanding equity shares of the company listed on the Exchange
- Select randomly a few clients, pick up some of their high value transactions and scrutinize to check whether they are of suspicious nature or not.
- If there is a substantial increase in turnover in a reactivated dormant account then it, should be brought into the notice of the Branch Manager. Review balances and trading in the dormant accounts. Be vigilant on the movement of credit balances from that reactivated dormant account.
- Analysis be carried out by RMS to identify clients with huge and regular losses and who are still placing trades/orders. Investigate the capability of client for sourcing of funds in such cases.
- Suspicious transactions to include 'transactions integrally connected' as well as 'transactions remotely connected or related' whether made with a person acting in good faith.

DORMANT ACCOUNTS

Exchanges has issued guidelines for marking client as inactive (dormant) via circular Download Ref No: NSE/INSP/43488 dated February 10, 2020. Accordingly following is the policy of inactive (Dormant) in W2W.

In case of demat account with W2W the client account is considered as dormant if there are no transactions carried in the Demat account for more than 6 months and any transactions done after lapse of 6 months are to be confirmed thru an intimation to clients registered address seeking revert in case the same is not genuinely carried out by them. The team would also rely on the inputs received from clients trading activity with Way2Wealth (as stock-broker) basis the status of the client account as per the prescribed advisory for Inactive/dormant account treatment.

Dormant (Inactive) Trading Client Account:

A Trading account, irrespective whether having debit or credit balance shall be treated as dormant account and will be deactivated, if there are no trade transactions done by the customer across all the exchanges /segments for a period of 12 months.

Activation of dormant account:

- **Within 12 months being marked as inactive:** After any account has been classified as dormant account, it can be re-activated per client written / Email request from his registered mail id subject to KRA & CERSAI compliance. Such request can be accepted only if the client is requesting within 1 year after being marked as dormant.
- **After 12 months being marked as inactive or 2 years after the last trade trading date by client:** we are required to undertake fresh documentation, due diligence and IPV where a client is coming for reactivation after a period of 1 year of being flagged as inactive (Dormant) i.e. after 2 years from their last trading date.

Any new requests for orders to trade should be accepted from such clients only on receipt of specific request from the client for permission to trade along with completion of all required formalities of KYC, if necessary.

MONITORING OF PROPRIETARY TRANSACTIONS OF ASSOCIATES & CLIENTS

- For scrutiny / background check of the Associates (Authorized Persons, Channel Partners) websites such as www.watchoutinvestors.com should be referred. Also, verify Prosecution Database /List of Vanishing Companies available on www.sebi.gov.in / www.RBI.gov.in
- Check for high volume in proprietary account of Authorised Person/channel partner and his/her relations.
- Scrutinize Demat account of Authorised Person/ channel partner (if DP account is with W2W)

- List all off market inward/outward transaction and seek explanations from concerned Associates separately.
- Need to cover the off market transaction inward/outward in Demat accounts with respect to unlisted and private ltd, companies along with the transaction value and reason code provided by the Clients and Associates in the Off market DIS slip and annexure as applicable.
- Check for third party funds (cheques and electronic fund received from bank accounts other than mapped bank accounts and demand drafts / pay orders with requisite proof of origination from own declared and mapped bank account) and promptly return the same if details are not provided for such account being the clients own additional account. Any repeat occurrences of such third party credits being rejected and returned shall be monitored and investigated for being satisfied of no suspicious nature in the conduct by the client.

HIRING POLICIES

Role of Human Resource Department

- The Human Resource Department and other Department Heads involved in hiring new employees has adequate screening procedure in place to ensure high standards in hiring new employees.
- Bonafide's of employees are to be checked to ensure that the employees do not have any link with terrorist or other anti-social organizations.
- Not only "Know Your Customer" (KYC) documentations but also "Know Your Employee" documents should be in place.

Role of Regional Heads / Regional Managers / Branch Managers

- Being in the field, they have market intelligence about potential mischief-makers, which should be brought to the notice of CPC, Legal and RMS.

Role of Legal Cell

- KYC forms and other documents drafted for each product should invariably have undertaking from the client that he is not indulging in or has not been associated with any money-laundering activity or terrorist activity and that he has not been convicted of any fraud/offence/crime by any regulatory/statutory/local/state/ authority existing in the country.
- All disclosure documents should have notice to the client informing about company's right to obtain and disclose any information about the client to the competent authority as may be required.
- Briefings to new employees at induction programs and rounds of small meetings and presentations at branch locations

CASH TRANSACTIONS

All are requested not to accept cash from the clients whether against obligations or as margin for purchase of securities or otherwise. All payments shall be received from the clients strictly by electronic fund transfer modes provided by banking channels and/or payment mode approved by RBI, "Account Payee" crossed cheques drawn on the clients registered /mapped bank account/(s) in favor of the respective Company. The same is also required as per SEBI circulars no. SMD/ED/IR/3/23321 dated November 18, 1993 and SEBI/MRD/SE/Cir-33/2003/27/08 dated August 27, 2003, in respect of broking operations.

In case an Account Payee cheque or electronic fund transfer has been received from a bank account other than that captured in records, the same may be accepted after ascertaining that the client is the actual/beneficial owner of the account after obtaining such other information as may be considered appropriate. Relevant copies of the supporting documents should be sent to HO and details of such accounts should be captured in the Client Master records.

Only in exceptional cases, bank draft/pay-order may be accepted from the client provided identity of remitter/purchaser written on the draft/pay-order matches with that of client else obtain a certificate from the issuing bank to verify the same.

For DP client's accounts in exceptional cases cash may be accepted for settlement of DP bills, stamp duty payments etc. within permissible income tax limits and with approval of DP department heads/ Chief Financial Officer/ Director.

All cash transactions, if any are required to be reported on monthly basis to, Compliance Officer, by each branch/ Channel Partner / Authorised Person promptly and in any case not later than by 5th of the following month.

EDUCATION & TRAINING

The success of implementation of the policy is highly depended on the employees and their job profile which have linked directly or indirectly to money laundering activities. Hiring is done according to the SEBI PMLA guidelines & other applicable laws after doing internal due diligence & identification process. Way2Wealth has decided to develop an ongoing employee training under the leadership of the AML Compliance Officer and senior management.

The training includes:

- a) how to identify red flags and signs of money laundering that arise during the course of the employees' duties;
- b) what to do once the risk is identified
- c) what employees' roles are in the firm's compliance efforts and how to perform them

In this regard, Way2Wealth undertakes:

1. Distribution of educational booklet/presentation
2. intranet systems
3. in-person lectures
4. Explanatory memos.

Additionally undertakes:

1. Way2Wealth will maintain records to show the persons trained, the dates of training, and the subject matter of their training.
2. Way2Wealth will review our operations to see if certain employees, such as those in compliance, RMS, client onboarding & registration and corporate finance, require specialized additional training.
3. Our written procedures will be updated to reflect any such changes.
4. All the transactions of employees are monitored, and actions are taken, wherever necessary.

Employees

Employees will report any violations of the firm's AML compliance program to the AML Compliance Officer, unless the violations implicate the Compliance Officer, in which case the employee shall report to Such reports will be confidential, and the employee will suffer no retaliation for making them.

- This internal policy and procedure on “The Prevention of Money Laundering Act, 2002” should be brought to the notice of all employees by HRD through the Company’s intranet/email circulations.
- All Authorised Persons (AP), associates and Channel Partners shall be intimated by the Franchisee/AP Service Team and Supervising Regional Hub/Satellite Hub/Branch and updated on the applicable provisions of “The Prevention of Money Laundering Act, 2002” and the reporting mechanism by way of a circular.
- HRD in co-ordination with Compliance and Internal Audit teams shall formulate program for Staff Training and implementing specific procedures for customer identification and retaining internal records of transactions.
- The Policy should be placed before the Board or its Committees and if any changes in the policy are warranted, the revised policy should be placed before the Board or its Committees and, review of the same will be done periodically at least, annually. Further, the review of the PMLA Policy by any official other than the official who originally drafted the policy will be done on regular basis.

Investors

Implementation of AML/CFT measures requires intermediaries to demand certain information from investors which may be of personal nature or has hitherto never been called for. Such information can include documents evidencing source of funds/income tax returns/bank records etc. This can sometimes lead to raising of questions by the client with regard to the motive and purpose of collecting such information. There is, therefore, a need for intermediaries to sensitize their clients about these requirements as the ones emanating from AML and CFT framework. Intermediaries shall prepare specific literature/ pamphlets etc. so as to educate the client of the objectives of the AML/CFT program.

Way2Wealth takes initiatives to educate clients / investors about the importance & impact of Anti Money Laundering Guidelines. Initiatives may include "sending informative notes, important Circulars, Pamphlets etc. to clients", "displaying PMLA policy/notes on Way2Wealth website" etc."

GUIDELINES ON IDENTIFICATION OF BENEFICIAL OWNERSHIP

For clients other than individuals or trusts:

Where the client is a person other than an individual or trust, viz., company, partnership or unincorporated association/body of individuals, the intermediary shall identify the beneficial owners of the client and take reasonable measures to verify the identity of such persons, through the following information:

- a. The identity of the natural person, who, whether acting alone or together, or through one or more juridical person, exercises control through ownership or who ultimately has a controlling ownership interest.

Explanation: Controlling ownership interest means ownership of/entitlement to:

- I. more than 25% of shares or capital or profits of the juridical person, where the juridical person is a company.
 - II. more than 15% of the capital or profits of the juridical person, where the juridical person is a partnership; or
 - III. more than 15% of the property or capital or profits of the juridical person, where the juridical person is an unincorporated association or body of individuals.
- b. In cases where there exists doubt under clause 4 (a) above as to whether the person with the controlling ownership interest is the beneficial owner or where no natural person exerts control through ownership interests, the identity of the natural person exercising control over the juridical person through other means.

Explanation: Control through other means can be exercised through voting rights, agreement, arrangements or in any other manner.

- c. Where no natural person is identified under clauses 4 (a) or 4 (b) above, the identity of the relevant natural person who holds the position of senior managing official.

For client which is a Trust:

Where the client is a trust, the intermediary shall identify the beneficial owners of the client and take reasonable measures to verify the identity of such persons, through the identity of the settler of the trust, the trustee, the protector, the beneficiaries with 15% or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

Exemption in case of listed companies:

Where the client or the owner of the controlling interest is a company listed on a stock exchange, or is a majority-owned subsidiary of such a company, it is not necessary to identify and verify the identity of any shareholder or beneficial owner of such companies.

Applicability for foreign investors:

Clients under the categories - Foreign Portfolio Investors and erstwhile Foreign Institutional Investors, Sub Accounts and Qualified Foreign Investors, may be guided by the clarifications issued vide SEBI circular CIR/MIRSD/11/2012 dated September 5, 2012, for the purpose of identification of beneficial ownership of the client.
