

### **Daily EQ Trend**

#### Market View from the Technical Research Desk

The benchmark Nifty had a negative session yesterday. It opened with a cut of 81 points; however, it recovered nearly half of the losses to close with a 34-point cut. Adani Ports, Mahindra & Mahindra Ltd, and Tata Consumer Products Ltd were the top gainers, while Hero MotoCorp Ltd, Tech Mahindra Ltd, and JSW Steel Ltd were the top losers. On the technical front, Nifty started the session with a decline of 81 points and saw an intraday dip of 143 points. However, it recovered most of the losses to close near the day's high, forming a bullish hammer on the daily timeframe. It managed to close above the crucial 24,650 level, which acts as a strong support on the daily chart. The broader trend of the market remains bullish, and buying on dips should be the preferred trading strategy. Currently, support is placed at 24,650, while resistance is seen at 24,750–24,850–25,000. One can consider buying Nifty near the crucial support zone for targets of 24,750, 24,850, and 25,000. Any close below 24,650 would put pressure on the uptrend and warrant a review of the current view. The positional trend remains strongly positive, and nifty is likely headed towards the 25500-25700 zone.

### **Bank Nifty**

Bank Nifty had a positive session yesterday. It opened with a minor cut of 17 points; however, after the initial intraday dip, it staged a strong rally and closed with a gain of 153 points. AU Small Finance Bank Ltd, Punjab National Bank, and Bank of Baroda were the top gainers, while HDFC Bank Ltd, Kotak Mahindra Bank Ltd, and IndusInd Bank Ltd were the top losers. On the technical front, the broader trend for Bank Nifty remains positive on the daily charts. Yesterday's candlestick pattern indicates a positive start for the next trading session. Bank Nifty had seen a period of range-bound consolidation over the last couple of weeks; however, it has now shown an acceleration in the upward trend. It has strong support at 55,500, with crucial support placed at 55,150. Resistance is seen at 56,000–56,100–56,700. Traders are advised to adopt a buy-on-dips strategy. One can consider buying Bank Nifty near the support level of 55,500 for targets of 56,000 and 56,100. A sustained move above 56,100 could take Bank Nifty towards the 56,700 level. Any close below 55,150 will be considered negative and would warrant a review of the current view.

Analyst Certification: I, Abhishek M Pelu, research analyst and author of this report, hereby certify that the views expressed in this research report accurately reflect our personal views about the subject securities, issuers, products, sectors or industries. It is also certified that no part of the compensation of the analyst(s) was, is, or will be directly or indirectly related to the inclusion of specific recommendations or views in this research. The analyst(s), principally responsible for the preparation of this research report, receives compensation based on overall revenues of the company (Way2Wealth Brokers Private Limited, hereinafter referred to as Way2Wealth) and has taken reasonable care to achieve and maintain independence and objectivity in making any recommendations.

It is confirmed that the author of this report has not received any compensation from the companies mentioned in the report in the preceding 12 months. Our research professionals are paid in part based on the profitability of Way2Wealth, which include earnings from other business. Neither Way2Wealth nor its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information contained in this report.

This report is for the personal information of the authorized recipient and does not construe to be any investment, legal or taxation advice to you. Way2Wealth is not soliciting any action based upon it. Nothing in this research shall be construed as a solicitation to buy or sell any security or product, or to engage in or refrain from engaging in any such transaction. The contents of this material are general and are neither comprehensive nor appropriate for every individual and are solely for the informational purposes of the readers. This material does not take into account the specific objectives, financial situation or needs of an individual/s or a Corporate/s or any entity/s.

This research has been prepared for the general use of the clients of the Way2Wealth and must not be copied, either in whole or in part, or distributed or redistributed to any other person in any form. If you are not the intended recipient you must not use or disclose the information in this research in any way. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. Way2Wealth will not treat recipients as customers by virtue of their receiving this report. The distribution of this document in other jurisdictions may be restricted by the law applicable in the relevant jurisdictions and persons into whose possession this document comes should inform themselves about, and observe any such restrictions.

The report is based upon information obtained from sources believed to be reliable, but we do not make any representation or warranty that it is accurate, complete or up to date and it should not be relied upon as such. Way2Wealth or any of its affiliates or employees makes no warranties, either express or implied of any kind regarding any matter pertaining to this report, including, but not limited to warranties of suitability, fitness for a particular purpose, accuracy, timeliness, completeness or non-infringement. We accept no obligation to correct or update the information or opinions in it. Way2Wealth or any of its affiliates or employees shall not be in any way responsible for any loss or damage that may arise to any person from any inadvertent error in the information contained in this report. The recipients of this report should rely on their own investigations. In no event shall Way2Wealth be liable for any damages of any kind, including, but not limited to, indirect, special, incidental, consequential, punitive, lost profits, or lost opportunity, whether or not Way2Wealth has advised of the possibility of such damages.

This material contains statements that are forward-looking; such statements are based upon the current beliefs and expectations and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements. These uncertainties include but are not limited to: the risk of adverse movements or volatility in the securities markets or in interest or foreign exchange rates or indices; adverse impact from an economic slowdown; downturn in domestic or foreign securities and trading conditions or markets; increased competition; unfavourable political and diplomatic developments; change in the governmental or regulatory policies; failure of a corporate event and such others. This is not an offer to buy or sell or a solicitation of an offer to buy or sell any security or instrument or to participate in any particular trading strategy. No part of this material may be copied or duplicated in any form by any means or redistributed without the written consent of Way2Wealth. In no event shall any reader publish, retransmit, redistribute or otherwise reproduce any information provided by Way2Wealth in any format to anyone. Way2Wealth and its affiliates, officers, directors and employees including persons involved in the preparation or issuance of this report may from time to time have interest in securities / positions, financial or otherwise in the securities related to the information contained in this report.

Investment in securities market are subject to market risks. Read all the related documents carefully before investing.
