Daily EQ Trend

Market View from the Technical Research Desk

Nifty

The benchmark Nifty saw a sharp decline in yesterday's session. On the technical front, Nifty reversed its six-day winning streak in Friday's session. It opened 19.6 points lower and kept making new lows throughout the day, finally closing with a big bearish Marubozu candle. Nifty has fallen back below the falling resistance trendline just two sessions after breaking out, which is a negative sign. Currently, Nifty is trading near its short-term EMA line on the daily chart. The immediate trend remains up but lacks confirmation. Yesterday's close indicates a negative start for Nifty in the upcoming session. At present, support is placed at 24,850, while resistance is seen at 24,900–24,950–25,050. Since the overall trend is unclear, traders should trade with smaller quantities and keep tight stop-losses. Bulls can attempt a buy near 24,850 for targets of 24,900–24,950–25,000, while bears can look to sell at 24,800 with a stop-loss of 24,850 for a target of 24,650.

Bank Nifty

Bank Nifty was negative in Friday's session. It opened with a cut of 86 points and kept making new lows throughout the day, finally closing with a big bearish Marubozu candlestick. Friday's closing indicates a muted to negative start for the upcoming trading session. On the technical front, Bank Nifty continued its downtrend after a failed reversal attempt in Friday's session. It has broken below all the short-term EMAs on the daily chart. Bank Nifty is once again trading below its short-term moving averages with a bearish lower high formation. The immediate trend has turned bearish. Currently, support is placed at 55,000, while resistance is seen at 55,560. Bulls can look to buy Bank Nifty near 55,000 for targets of 55,200–55,350–55,400, with a stop-loss at 54,890 on sustained weakness. Bears can sell Bank Nifty near 55,350–55,400 for a target of 55,000, with a stop-loss at 55,500 on sustained strength.

The contents of this material are general and are neither comprehensive nor appropriate for every individual and are solely for the informational purposes of the readers. This material does not take into account the specific objectives, financial situation or needs of an individual/s or a Corporate/s or any entity/s.

This research has been prepared for the general use of the clients of the Way2Wealth and must not be copied, either in whole or in part, or distributed or redistributed to any other person in any form. If you are not the intended recipient you must not use or disclose the information in this research in any way. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. Way2Wealth will not treat recipients as customers by virtue of their receiving this report. The distribution of this document in other jurisdictions may be restricted by the law applicable in the relevant jurisdictions and persons into whose possession this document comes should inform themselves about, and observe any such restrictions.

The report is based upon information obtained from sources believed to be reliable, but we do not make any representation or warranty that it is accurate, complete or up to date and it should not be relied upon as such. Way2Wealth or any of its affiliates or employees makes no warranties, either express or implied of any kind regarding any matter pertaining to this report, including, but not limited to warranties of suitability, fitness for a particular purpose, accuracy, timeliness, completeness or non-infringement. We accept no obligation to correct or update the information or opinions in it. Way2Wealth or any of its affiliates or employees shall not be in any way responsible for any loss or damage that may arise to any person from any inadvertent error in the information contained in this report. The recipients of this report should rely on their own investigations. In no event shall Way2Wealth be liable for any damages of any kind, including, but not limited to, indirect, special, incidental, consequential, punitive, lost profits, or lost opportunity, whether or not Way2Wealth has advised of the possibility of such damages.

This material contains statements that are forward-looking; such statements are based upon the current beliefs and expectations and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements. These uncertainties include but are not limited to: the risk of adverse movements or volatility in the securities markets or in interest or foreign exchange rates or indices; adverse impact from an economic slowdown; downturn in domestic or foreign securities and trading conditions or markets; increased competition; unfavourable political and diplomatic developments; change in the governmental or regulatory policies; failure of a corporate event and such others. This is not an offer to buy or sell or a solicitation of an offer to buy or sell any security or instrument or to participate in any particular trading strategy. No part of this material may be copied or duplicated in any form by any means or redistributed without the written consent of Way2Wealth. In no event shall any reader publish, retransmit, redistribute or otherwise reproduce any information provided by Way2Wealth in any format to anyone. Way2Wealth and its affiliates, officers, directors and employees including persons involved in the preparation or issuance of this report may from time to time have interest in securities / positions, financial or otherwise in the securities related to the information contained in this report.

Investment in securities market are subject to market risks. Read all the related documents carefully before investing.
